Or

Direct Deposit : BankWest – Morley BSB No 306-091 Account No 415694-3

Optional: Student Ancillary Expenses Account - Max \$100.00 – per student account

Parents may find it more convenient to deposit a sum (eg Maximum \$100 per student) into a Student Ancillary Expenses Account and request the School to allocate payments from that account as required. Costs would be indicated on class notes. The balance of your Student Ancillary Expenses Account would be available to you at any time by personal or email request to the Business Manager, together with receipts and statements. All remaining funds will be reimbursed by cheque to families prior to school conclusion, or with your consent, carried forward to the following year.

Ancillary expenses occur throughout the year as the School requests payment for excursions, incursions or specific student workbooks.

VOLUNTARY CONTRIBUTIONS

The total amount of contributions parents and caregivers of children in K-6 are being asked to pay is \$60 per year which is within the School Educational Act Regulations 2000.

Money collected is used to supplement school expenditure in Curriculum related activities.

While contributions are voluntary the quality of our teaching and learning programs are maximised when each family pays their child's contribution, and assists in supplementing funding gained from other sources, including the State and Commonwealth Governments.

The **Voluntary Contributions** received (based on only 80% collection rate) forms around ¼ (27.5%) of the curriculum budgets.

Should the collection of Voluntary Contributions be less than 80% (as budgeted) the shortfall is covered by unallocated school funds.

The school strongly urge all parents to pay the School Contribution amount when completing the Personal Items Lists. The contracted supplier will return the money to the school with a complete list of payment details.
