

Coolbinia Primary School  
Attn: Paul Westcott  
1 Cone Place  
Menora, WA 6050

28<sup>th</sup> February 2021

## Congratulations Paul, Elaine and Coolbinia Primary School...

... you achieved **Double Platinum** accreditation with Your Move Schools in 2021!

Coolbinia Park Primary achieved some truly amazing things last year, and made yet again, another major contribution to the growing success of Your Move.

**25 Stories posted**

**Level attained**

**Earned \$9,335 worth of rewards and grants**

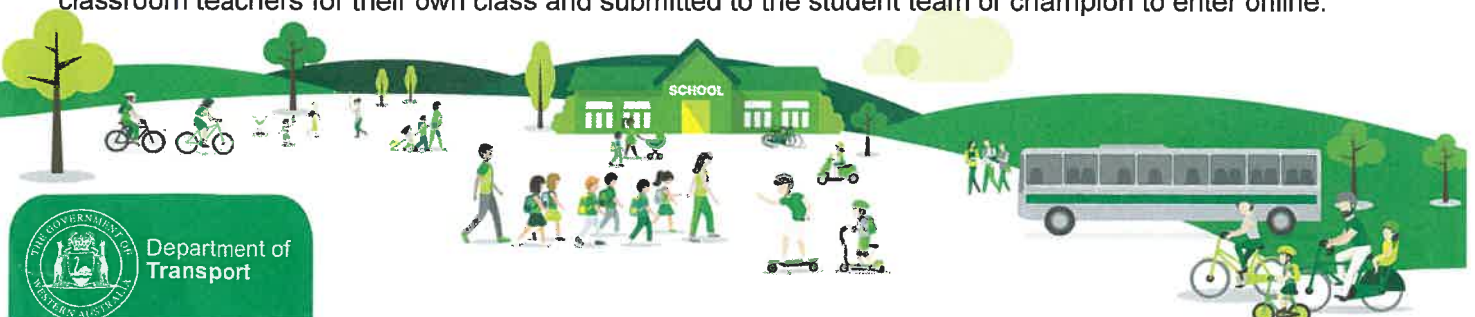

Last year your school posted **25 stories** and your highest scoring story earned an impressive 178 points! Not only did Coolbinia Primary benefit from being more active but you also **earned \$1836 worth of Your Move points and received \$1147 Your Move reward items.**

Coolbinia Primary's engagement in the program resulted in you achieving Double Platinum accreditation level, and provided you access to a *Connecting Schools* grant worth up to \$7,499. You'll be glad to know that **Connecting Schools grant** funding will again be available to schools that achieve Silver accreditation or higher in 2022 and complete both a Start of Year and End of Year Hands Up Survey. Remember that planning ahead and getting in early with stories on all your activities will set you up to redeem a grant later in the year.

Your **accreditation badge is enclosed** and can be placed in the first available space, starting from the left side of the Your Move sign.

In commencing planning for 2022, we are mindful that COVID-19 continues to impact schools and to keep everyone safe in the school setting, additional measures are in place, which we're aware will impact the way Your Move can be delivered.

We are still requesting schools complete a Start of Year **Hands Up Survey Week** in week 5 however, surveys will be accepted until the end of Term 1, as this is an important tool that helps guide program delivery. To ensure data collection is completed safely, we suggest that survey data is collected by the classroom teachers for their own class and submitted to the student team or champion to enter online.

Don't forget, submitting your survey will earn you 50 points, plus ensure you remain eligible for any grant funding and award opportunities that become available in 2022!

**Ride2School Day** is on the 25th March and is a great national day to kick off active travel promotion for the year. This year, we are encouraging schools to still get involved by running class-based activities instead of whole school events. Check out the **Your Move website** closer to the 25th March, as the Your Move team will be adding ideas and a social campaign for you to share with your school community. However you chose to celebrate the date, don't forget to post a story, and share all the creative ways your school got involved in the day!

Remember we are always here to help - don't hesitate to contact us at [yourmove@transport.wa.gov.au](mailto:yourmove@transport.wa.gov.au) or on 6551 7001.

Happy travels,  
David, Carol-Ann & Sam  
Your Move Schools Team

## Look what we've achieved together!

**In 2021,**

**101** schools actively involved

More than **59,180** students

**998**

stories  
posted

**5% increase** in Active Travel  
in participating schools each year  
since 2014.
